PTA Going Cashless

In the last couple of years the PTA has rolled out alternative payment methods for the various services and products offered. We have now taken the decision that all payments to the PTA must be cashless. The only exception will be certain events such as doughnut day where buyers (i.e. pupils) may not have contactless cards to pay. There are 3 key drivers for going cashless. Firstly, as a charity we need to have good governance in place so keeping a record of cash coming in and what it is for is absolutely key. Secondly, we have a limited number of volunteers to cover all roles so we have to look for areas of efficiency. Going cashless means our treasurer does not have to worry about keeping a cash float at the right level. So if you are attending a school event where refreshments are being sold by the PTA please remember to bring your Card for payments. The other main advantage of going cashless and using electronic payments is that it allows the PTA to see what products sell well and helps us manage stock levels more efficiently.

PTA Agrees initial £15,000 of funding for 2022-2023

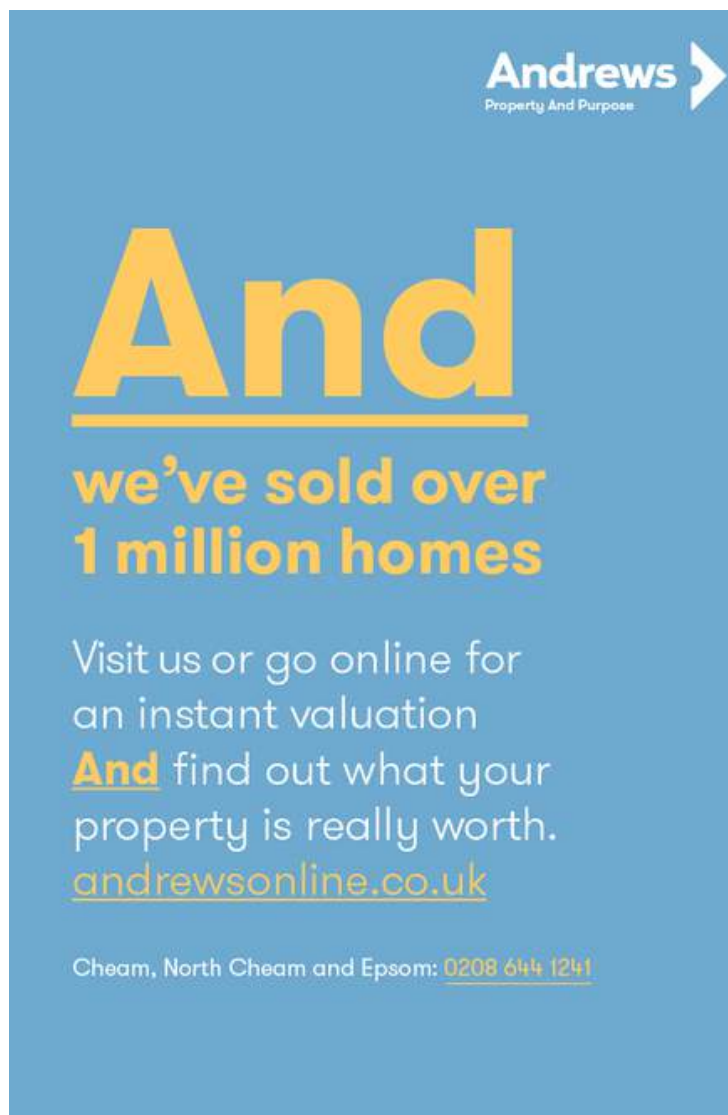

Late news - At the last PTA meeting in November the PTA have agreed to fund items to the tune of £15k. for the academic year 2022-2023 - More details of the items which are being funded will be made available in the December edition.

New Process for Ordering Preloved Uniform

Following the success of selling pre-loved uniforms online during the COVID restriction period, the PTA committee have decided to continue offering this online service to the school community during school term. You can now check stock availability [via this link](#) and request your orders by completing the google form (link included in the PTA pre-loved uniform webpage). **Thank you to the PTA volunteers who'd spend many hours sorting out uniforms and making this online offering a possibility.**

Volunteer Sign up

Last year we were able to offer ad-hoc volunteering opportunities at PTA events for parents and carers and we are hoping to do the same this year. We need helpers for the Christmas Concert refreshment stall on **Wednesday 7 December**. [Please sign up here](#).

Correction

In last month's newsletter, we had a piece written by Luke Baker. It was incorrectly stated that Luke was a parent of a daughter in Year 9. In fact, he is a parent of twin girls who are in Year 8. Apologies for this error.

A few pictures from Chandra's walking challenge. Many thanks to all the parents and carers who went to Nonsuch Park to support Chandra in his epic walk.
