

PASTORAL UPDATES

MONDAY FEBRUARY 10TH

PSHE (including RSE) regular update

Personal, Social, and Health Education (PSHE) is a non-statutory but important and necessary part of all pupils' education (Department for Education, 2020). I hope that you find the regular updates on what we have covered in our PSHE sessions for Years 7-13 useful and that you engage with the content and discuss this with your child and family.

For further information about what is being taught this term please visit our [school website](#).

If you have any questions about any aspect of PSHE please contact your child's Head of Year.

What have students been taught in PSHE this week?

(lesson Wednesday, February 5th)

Due to the late start for students, there was no PSHE lesson this week.

Pastoral support

We have a range of support services available in school to help your child should they need some extra support.

These include a school counsellor, ELSA, pastoral support officer, mental health champions and peer mentors. Please contact your child's Head of Year directly should you have any concerns.
