# THE YEAR 7 JOURNEY

## Our KS3 Intent:

To **empower** our young people and enrich their lives to ensure they aspire to take their centre stage place in the world.

We want students to **enjoy learning**, to become independent and **effective learners** and to achieve academic success in an atmosphere that fosters positive relationships and mental health, promotes equality and celebrates diversity.

- 
- Two-week timetable – Week 1 and Week 2; 50 sixty-minute lessons a fortnight on their timetable
  - Students taught in form groups; approx. 60% of Year 7 lessons taught in their form room base. The remaining 40% taught in subject specialist classrooms
  - Science lessons encompass Physics, Biology and Chemistry
  - Technology lessons encompass a carousel of Food, Textiles and DT
  - All students study Latin and then a Modern Foreign Language
  - In PE, two different activities are taught per half term. Over the year, students play a range of different sports which include, netball, hockey, health and fitness, gymnastics, dance, cricket, and tennis.
