**ASK YOURSELF:**  
What are my interests?

Which subjects do I like?

Get to know your skills

How am I already building work skills through school & hobbies?

Who would I like to work with?

Do you want to teach, help, organise or investigate?

Where would I like to work?

Compare different careers

Which ones include the things you like?

**EXPLORE:**  
make a shortlist

Hold on to this!

Get inspired by people

Check out interviews, talks and events

# HOW TO FIND THE RIGHT CAREER FOR ME

Find out about employers

Online  
At school  
At events

What qualifications do I need?

Choose A-levels/IB or apply for training courses

**STOP:** Is there more than one way to get there?

Could I reach the same goal with an apprenticeship or a degree?

How can I keep my options open?

What courses and subjects will give me more choices for related careers?

**GET PRACTICAL:**  
Get some work experience

One of the best ways to find out if I'll like a career and build up my CV!

Make a CV

Get **MORE** work experience!

Think about internships, part-time jobs and gap years

Build your soft skills

Remember I can use these in any job!

**ALWAYS EVALUATE:**  
What do I like?  
What is tough?  
How can I build my skills and improve?

If something is not working, don't be afraid to make changes or go back to your shortlist!
